

Route description Centre for Safety and Development

If you come by car:

Coming from the A28 direction Utrecht or Zwolle

Take exit 8 (Amersfoort), this is the Hogeweg. Follow this road in the direction of the City Centre (Centrum). After about 1.5 km you are on the Stadsring, please follow this road straight on in the direction of the City Centre. At the fourth intersection you will find the Utrechtseweg on your left. Our office is located on the 5th floor of the office building with reflective windows on the corner Stadsring/Utrechtseweg.

Coming from the A1 direction Apeldoorn

Take the A28 towards Utrecht. Take the first exit, number 8 (Amersfoort). See above for the further route description.

Coming from the A1 direction Amsterdam

Take exit 12 (Bunschoten) and go left on the first roundabout. Follow the N199 in the direction of Amersfoort, follow the road straight on at the next two roundabouts. Go left at the fourth traffic lights, in the direction of the City Centre (Centrum). This is the Amsterdamseweg. Follow the right lane at the first two traffic lights, then choose the left lane. Go under the three viaducts and straight on at the next traffic lights. At the next intersection you will find the Utrechtseweg on your left. Our office is located on the 5th floor of the office building with reflective windows on the corner Stadsring/Utrechtseweg.
